PUBLIC SERVICE  
COMMISSION

To whom it may concern,

My name is Judy Eaton, I am writing this letter in regards to a public notice I received. The Docket number being 2007-00452. This refers to the construction of a new cellular phone tower to be built at 380 Race Track Rd. in Burnside, Ky. I have a house on Beechview Dr. I probably have one of the greatest views in all Pulaski Co.

I bought this place because it was a small neighborhood and the beauty it has. I do not want another cellular tower stuck up behind me, that's not my idea of beauty. I also have children and grandchildren and they have breathing problems

and I know everyone says these cell towers are safe, but, I believe they aren't, and I am expressing my opinion on this

matter now. I also think that it possibly could decrease the value of my property. I want this noted, and I will do whatever

I need to keep this tower from being built. I appreciate your attention in this matter, I thank you in advance. Will be waiting to hear from you.
